PERPETUAL CARE

As a Perpetual Care Cemetery, Parsons Cemetery is committed to the legacy, care, and preservation of the grounds into the future. In partnership with the Community Foundation of the Eastern Shore, The Parsons' Cemetery Perpetual Care Endowment Fund was established to preserve the future funding necessary for this commitment.

“Perpetual Care” refers to the maintenance, including the cutting of grass abutting memorials or monuments, administration, supervision, and embellishment of a cemetery and its grounds, roads, and paths and includes the repair and renewal of buildings, including columbaria and mausoleums, and the property of the cemetery. It does not include the upkeep and maintenance associated with individual markers, monuments, or private mausoleums.

Parsons Cemetery contributes 15% of the purchase price for each grave space, niche, or placement sold to this fund.

Please contact us for any questions regarding this endowment or current balances.
